

For Immediate Release

Nagib Nahas
Residential Landscapes

November 1 – November 26, 2011

For his first solo exhibition at Bowery Gallery, Nagib Nahas will present a series of paintings entitled Residential Landscapes. Most of the works are of Bay Ridge in Brooklyn, NY where the artist resides. The rest are of various settings in the metropolitan region.

The artist writes: "The formal process of these paintings is guided by the representation of certain aspects of a setting's appearance as perceived from a specific vantage. The design is meant to render the order of the setting's arrangement, and the color, or tone, to denote the quality of its light and atmosphere. The aim is to arrive at a correspondence between the painted image and its reference: to establish a relationship between a pictorial statement and a transient state of physical appearance."

There will be a reception from 5-8 on Thursday, November 3rd 2011. Gallery hours are 11am to 6pm Tuesday through Saturday. For more information contact the gallery at 646-230-6655 or info@bowerygallery.org.
